NON CAMPUS PROPERTY is defined as any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution's educational purpose, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution. This also includes any building or property owned or controlled by a student organization that is officially recognized by the institution.

PUBLIC PROPERTY is defined as all public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus.
