Internal Complaints 2013

2013 Internal Complaints (2 complaints with 60 allegations)						
Class 2	Received	Unfounded	Exonerated	Not Sustained	Sustained	Not Concluded
Improper Procedure	60	14	18		28	
Totals	60	14	18		28	

Allegation and disposition totals are higher than complaint totals due to some complaints containing multiple allegations or multiple involved employees.

A three year comparison reveals that the greatest number of complaints was received in 2013. This is mainly due to updates to department policy and recent implementation of a standardized process for handling and investigating complaints, both internal and external.
